Dear Pastor Jung,

Enclosed is a DVD of our work and a letter of recommendation from Pastor Roger Margerson, Pastor of Oat Valley Baptist Church in Cloverdale CA.

My wife, children and I have been in Thailand since 1980. It has been exciting to say the least seeing the Lord work. It is my desire to see more churches started until the day the Lord takes us Home.

My need is this. I have two elderly individuals, who support us with a combined amount of \$1300. Unless I can raise money to cover that part of our support, I will be forced to leave Thailand, when the inevitable occurs. A far better plan is to raise the funds before that happens. I'm praying the Lord would open doors and hearts so that we will be able to continue. We must be back in Thailand no later than May 10.

In the next week or so I plan to contact you by phone. I am enlisting both prayer and financial support, but it just may be that I could be encouragement to your people. Bro. Jung, in Thailand there are two families that financially give 100% to the Lord, some read their Bibles 2 and 3 hours a day, witness, are faithful to services and visit the shut ins. It's really my hearts' desire that people in the States catch a vision. I would gladly take you to lunch, or do Sunday anything to get a chance to share what the Lord is doing in Thailand.

Preparing to go Back to the Paddy,

Tim Searles
