## Thailand

March 2010

**REPORTING:**

Since January Tim has been calling each of our supporting churches. We want to thank each of our churches for giving us the opportunity to share what has happened in Thailand.

**ON THE ROAD:**

Tim's travels have taken him Phoenix, AZ to Atlanta, Ga., down to Florida as far south as Port Charlotte and areas between and now up to Pennsylvania and Ohio. I personally would like to thank our churches for taking good care of him. Marci traveled a few days with him and took care of her Dad. When not at a church we have had family and friends open their homes. Thank you so much. And may God Bless. Tim has had the coveted privilege to spend time with our children on the east coast.

**NAKORN NAYOK:**

From what we hear, all seems to be going well at NakornNayok Baptist Church. The three "Bau's" are still being instructed by our dear friend Somboon from up country. From all re-

ports they are doing well standing in the gap. Our prayer now is that one will stand out and accept the call to Pastor.

Bee, one of the women in the Church has begun teaching a group of teenage girls. This is a first and we're excited to see what is happening.

**DEATH:**

On a sad note, Tim had to cancel a meeting in Illinois because of the death of his Father. Dad died after a lengthy illness here in Phoenix on March 28<sup>th</sup>. The funeral is in Beacon, NY on Saturday the 3<sup>rd</sup> of April. During his last days a nephew contacted our Heather numerous times asking questions. I'm very happy to say that as a result of their conversations, he asked the Lord to be his savior. Tim will resume his meetings on the 4<sup>th</sup> in Lorain, Oh.

**PLEASE PRAY:**

Please pray for Tim as he shares our burden, that souls will be saved, and he will be safe on the road. I sure do miss him. Pray for Ben as he does school. He is doing well. We are in the process of applying for extension of visa

for him. In Thailand, the embassy gave him a 2 year re entry visa to give us time to complete immigration. When we came in the country they only gave him 6 months and papers to extend. This is not free. We really don't understand it as he is legally ours, the adoption papers signed on July 15<sup>th</sup> of last year. I, Maureen, am doing well. It is hard being without Tim for so long as Ben needs his Dad and is having a hard time adjusting without him here. We are staying at Abigail's home until the end of May when we will go to the east coast and visit with the other Grands.

**NEW GRAND CHILD,**

Oh My! I should not forget..... March 4<sup>th</sup> Gretchen gave birth to Hannah Diane, 9 lbs 4 oz, 21 inches long. Because of how quick, I got to "catch and her" while yelling into the emergency room for help.

Thank you for your payers and giving that have allowed us to represent you in Thailand.
